

# CANADA – TAIWAN LIFE SCIENCE FORUM

Digital and Precision Health, Infection Control

July 26, 13:30-17:00, 2023 / Room 702 Nangang Exhibition Hall 2

- **Canada digital health index ranked number 2 in the world.**
- **Canada's life sciences industry has more than 1000 companies with \$2.4 Billion+ R&D and \$87.4 Billion revenues.**
- **Canada, as the 8th largest medical device market and 9th largest pharmaceutical market**

Canadian Trade Office in Taipei (CTOT) co-organizes with Taiwan Bio Industries Organization (TBIO) and Alberta Taiwan Office on this Canada-Taiwan Life Science Forum during 2023 Bio Asia Taiwan week. Four Canadian companies and organisation with cutting-edge and innovation technology will be introduced to you in the post-COVID era!

This rare event occasion is free of charge. However, with limited seats available, we cordially invite you to register online ASAP at your earliest convenience.

Wednesday, July 26, 13:30-17:00, 2023 // 時間：2023年7月26日星期三  
Room 702 [Taipei Nangang Exhibition Center](#) Hall 2 // 南港展覽館2館702會議室
